Motor Traders' Association Wins Prestigious NSW Safe Work Award 2009

MTA's CEO said "We are very proud to receive this award as an endorsement of the substantial work we have undertaken, in partnership with WorkCover, to bring about safer working conditions in the motor trades across NSW.

"AUTOSAFE"

"MTA's AutoSafe is what OH&S compliance looks like"

to find out more go to www.mtansw.com.au and click on the "ERIS" button or phone MTA on 9213 4290

I-CAR ADVISE MORE TRAINING DATES IN YOUR AREA... COFFS HARBOUR... THURSDAY 26 NOVEMBER 2009

To register for these great courses, simply complete the registration form and return to I-CAR as soon as possible.

Spread the word about these great courses to all shops in your area.

SPS07 (STEEL UNITIZED STRUCTURES TECHNOLOGIES AND REPAIR)

Developed to address the issues of high strength and ultra high strength steels, this course is a must for anyone involved in collision repair on post 2000 vehicles.

ALT02 (HYBRID ELECTRIC & ALTERNATIVE FUEL VEHICLES) (New Course)

With almost every manufacturer ready to release their own Hybrids from early 2010, this brand new course will minimise the risks in your workshop, both in repair, storage and handling.

I-CAR - Body Repair Training & Information Source

I-Car is also an Industry leader on determining repair methodology.

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association’s aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.

Receiving the Industry News Service

To ensure delivery of this and other important Industry Information to your Inbox, please add these email addresses to your contacts / address book: sophie.luttrell@mtansw.com.au and greg.preston@mtansw.com.au.
