Industry News Sponsor

EURO BUMPERS & HEADLIGHTS

BMW | MERCEDES | VOLKSWAGEN | VOLVO
SAAB | AUDI | ALFA | PEUGEOT | CITROEN
PORSCHE | RENAULT | SMART | FIAT
SSANGYONG | MINI | LIGHT COMMERCIAL

*We also do a full range of Japanese makes and models
recondition, used or alternative bumpers & headlights*

Options on Products & Services

- 1.Reconditioned:** Fully reconditioned inside and out, and finished in a protective coat of primer be it 2 pack or acrylic based on customer requirements.
- 2.Complete Bar Assembly:** Consist of a reconditioned, used or new bar cover compiled with used or new accessories, (moulds, brackets, reinforcements, bumper shocks, grills, washer jets, sensors)
- 3.New Genuine or Aftermarket :** New bar cover
- 4.Second Hand:** A raw clean quality bar at times rubbed down with 320 grid paper to smooth up any scratches or paint imperfections
- 5.Turnaround Times on Pick ups:** As we have 12 drivers on 3 set runs daily within the Sydney metro we have the ability to provide a faster turnaround time on reconditioning customers core units usually taking between 24 to 48hours..... based on condition.
- 6.Quality:** All our staff have extensive bumper repairs experience stemming back to over 10 years each, all repairs and finishes are at the highest quality with file finishing and low heat plastic welding used as preferred option on repair methods.
- 7.Pricing:** Our pricing structure is flexible and extremely competitive based on product requirement, our aim is to provide our customers with the best quality parts at the best possible price. (Talk to one of our friendly sale consultants on any price matching or discounts)
