

The Motor Traders' Association of NSW has set up this Industry News Service to inform all repairers of the issues facing the industry.

Industry News Service

What has the MTA been doing?

Over October and November, MTA has been working on the following projects for the Body Repair industry:

Realistic Times and Rates:

- Continuing to develop E-MTA (MTA's realistic online times manual) www.e-mta.com.au
- Liaising with Insurance Companies regarding the progress of Realistic Times and Rates
- Participated in the National Times Committee for the progress of Realistic Times and Rates
- Liaising with prestige repairers for the introduction of a luxury realistic times manual
- Meeting with Paint Manufacturers to discuss paint technologies and industry developments

MVIRI Code of Conduct:

- Meeting with Insurance Companies regarding the MVIRI Code of Conduct and compliance with the Code www.abrcode.com.au
- Advising Members on dispute issues and assisting with the Code dispute process (IDR forms)

Lobbying to Stop Repairable Write Offs:

- Presented to the State Government Staysafe Committee regarding the safety issues with repairable write offs (RWOs)
- Meeting with the Police regarding the inspections and re-registrations of written off vehicles
- Meeting with the Minister for Roads regarding written off vehicles

General Industry Issues:

- Writing monthly articles for the MTA NSW E-Journal
- Attending National auto parts recyclers meeting (APRAA)
- Coordinated a National Heavy Vehicle Repairer Meeting in Canberra
- Organising tow truck driver training

- Attending local repairer meetings to discuss industry issues
- Working on VOC emissions issues with EATI
- Liaising with other state Associations to ensure a National approach

MTA Event at Bankstown Paceway

See the attached invite for more information.
