## National Review of the MVIRI Code of Conduct – Have Your Say

The Code Administration Committee (CAC) is conducting a review of the Code of Conduct. (To see the Code, go to [www.abrcode.com.au](http://www.abrcode.com.au)). The Code is being reviewed against the Principles of the Code to determine if the Code meets the needs that are required. So the question is:

**Has the Code operated in accordance with the Preamble and Principles of the Code?**

If you have something to say about this, send in your written submission to the reviewer (details attached) by 25<sup>th</sup> November 2009. There will also be a face-to-face meeting at MTA on 9<sup>th</sup> December 2009 (if you would like to attend, go to the Code website to sign up and get more information: [www.abrcode.com.au](http://www.abrcode.com.au)).

The review will consider:

### **1: Repairer Preamble Overview = Minimum Industry Wide Standards**

In recognition of Repairers' right to freely structure their business arrangements, this Code provides for minimum, industry-wide standards.

### **2: Insurer & Repairer Principles of the Code Overview**

Insurers and Repairers agree they have a responsibility to ensure vehicle repairs are authorised and carried out in a professional manner and to ensure that the safety, structural integrity, presentation and utility of the vehicles are restored.

**3: Other matters regularly or consistently raised should also be included in the review**

See the attached information from the CAC for more details.

[Code Guide To Submissions for Review](#)

MTA NSW will be putting in a submission to this review.
