ERIS – Employment Relations Information Service

The MTA has developed an online Employment Relations Information Service – ERIS – which is only available to MTA Members. ERIS is the most comprehensive employment relations service available to motor industry employers. It contains pro-forma documents, leave calculators, OH&S management systems, policy builders, storage registers, report generators and safety audit checklists as well as information covering the entire range of employment relations issues. ERIS is subscription based; a big business service available at small business prices. Call MTA on 02 9213 4222 or visit www.eris.com.au for more information.
