Breaking News: Have You Heard?

MTA has been advised of an Insurers' attempts in the Wollongong area to force their Repairer Network to quote exchange and used parts UPFRONT for **new vehicles still under manufacturer warranty.**

The MVIRI Code of Conduct states:

7. Repair Warranties

7.1 An Insurer will provide details in writing to Repairers of the warranty cover the Insurer provides to insured's, including the Insurer's responsibilities under lifetime warranties.

9. Disclosure Obligations

9.2 Insurers will disclose in their PDS their policy relating to the use of new, non-genuine and recycled parts, sub-let repairs and guarantees and warranties.

KNOW YOUR RIGHTS.

The Code is mandatory in NSW and is available on www.abrcode.com.au.
