2010: Year for Industry Reform

New industry endeavour – United Auto Group

MTA NSW would like to advise the industry of a new endeavour by one of our members: United Auto Group (UAG).

Please note that this information has been provided to the MTA by UAG, if members have any questions please contact UAG directly or visit the website www.unitedautogroup.com.au.

United Auto Group ...

Since our inception the United Auto Group has been designed to offer volume discounts and negotiated rebates on a range of products and services,

Benefits to Date!

- 1) 1.5% rebate on all paint and consumables.
- 2) 3.5% extra discount on spare parts on what has been previously negotiated.
- 3) 5% Discount on Business Insurance.
- 4) 10% discount on computer and IT requirements.

Within a short period of time, United Auto Group has established a strong support base with local Repairers and the MTA NSW.

Go to www.unitedautogroup.com.au for more information.

“Find Your local Smash Repairer”

United Auto Group is also able offer you this business service!
