There is clear evidence that this leads to UNSAFE repairs.

MTA's policy is to oppose any practise that risks "Public Safety" & does not return the Customers vehicle back to pre-accident condition.

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
