2010: Year for Industry Reform

“Fake Parts” Uncovered!

MTA has received information advising of a raid carried out by Police and Customs officials at an

Alternative Parts Supplier!

These parts were found to be in manufacturer packaging and being passed off to the motor body repair industry and to the general public as OEM compliant parts.

MTA advises to only

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
