2010: Year for Industry Reform

Alternative Parts Supplier!

MTA has been contacted by *All Crash Parts* concerning our recent publication regarding “**Fake Parts**”. That company has indicated that the article has caused some concern to its clients and may impact unfavourably on its business.

MTA want to make it quite clear that *All Crash Parts* was not the supplier referred to in the article.

All Crash Parts is an MTA member, a trusted supplier to the industry and we have never received any complaint regarding the conduct of its business. Due to Legal Reasons MTA is unable to name the offending **supplier!**

All parts fitted in the course of “Insurance Repairs” must comply with Manufacturers Specifications & Australian Design Rules!

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association’s aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
