2010: Year for Industry Reform

MTA continues to receive examples of **UNSAFE** repairs under the **two quote/tendering** Insurance systems.

MTA re-confirms its opposition to these insurance based assessing systems for estimating collision repairs.

MTA's view is these systems put consumers **safety** at **risk** and produce **poor** quality repairs.

CHOICE OF INSURER SHOPPING LIST

Insurers that **“do not”** have a **usually 2 quote** or **tendering** type assessing system for repairs

Choice of Repairer is as important as is Choice of Insurance			CHOICE OF REPAIRER
To ensure your peace of mind you want your “Choice of Repairer” it is a must that you check the Product Disclosure Statement to make sure you have choice.

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
