

ACCC!

Australian Competition and Consumer Commission

MTA has arranged a top level meeting with the ACCC to discuss growing industry issues. MTA is seeking more information on unfair practises conducted by “other key” stakeholders in the Motor Body Repair Industry.

Issues to be investigated include:

- **Third line and Full line forcing**
- **Insurer Contracts – Unfair contract terms**
 - **Written Off Vehicles**
- **MTA Client Management Repair Authority**
- **2 Quotes/Tendering Estimating Practises**
 - **Choice of Repairer Terms & Conditions**
- **Late Payments & Invoicing Requirements**

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
