2010: Year for Industry Reform

MTA continues to receive examples
of **poor quality** repairs...

KEEP THEM COMING!

This will significantly aid a public
enquiry into insurance companies
and their **two quote/tendering**
systems.

Please HELP US to HELP YOU!

**sustain
award**

DuPont is serious about solutions for a better, safer, healthier world and would like to recognise body shop businesses that have made a change that will help towards this future goal. It is time to put your best foot forward and put your entry or nomination in for the coolest award in the industry!

Achieve national recognition for your individual efforts in making your business more sustainable.

Enter now by filling in the entry form attached. Entries close September 15th, 2010 ☺

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
