“NO” TO UNSAFE REPAIRS

Insurer Assessing Centres are the breeding

grounds for a new **CANCER** that is
ENDANGERING public safety.

Two Quotes & Tendering Assessing Systems

There is massive evidence that this leads to **UNSAFE** repairs. Assessing Centres are the new holding pens for this **plague!** Insurance companies are holding **public safety to ransom!**

**In the interests of public safety,
you must attend this meeting!**

The Industry' must act now and **Stop!**

Tendering and Two Quote systems

MTA's policy is to oppose any practise that **risks**
"PUBLIC SAFETY" & does not return the
customers vehicle back to pre-accident
condition.

PROTECT PUBLIC SAFETY!

What is the MTA?

MTA is an employer association established for businesses in the Motor Industry. The Association's aim is to provide services to assist Repairers in the daily running of their businesses and to lobby key Government Departments. This entails actively representing the view of the Motor Industry to Government at liaison committee meetings. The association undertakes this and many other projects to ensure a long and viable future for the industry.
