Smash repairer news

We're pleased to advise that NRMA Insurance will increase maximum NTAR allowances for paint materials and consumables for 2010-11.

The increase reflects a rise in paint material and consumable costs and was determined following consultation with the MTA NSW, repairers and paint companies.

The maximum allowance for paint materials has increased 3 per cent and the paint consumables allowance has increased by 1.5 per cent.

All NTAR authorised repairers can quote the higher maximum rates from 1 August 2010.

The new maximum rates are shown below:

Category	S1	S2	M1	M2	M3	Paint Consumables
New rate	\$17.51	\$19.49	\$21.13	\$24.36	\$27.74	\$5.92
