## e-MTA Times Review Process

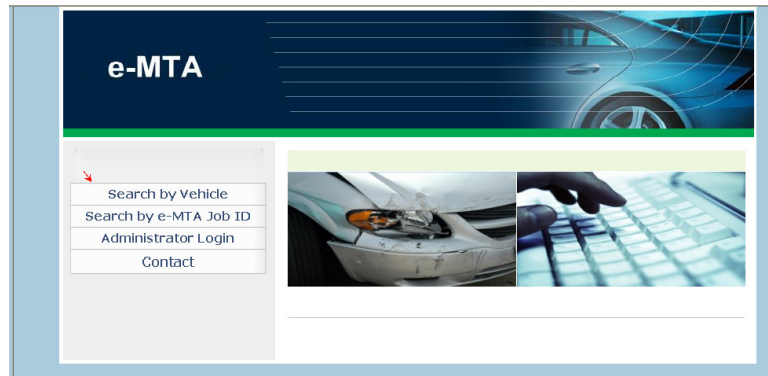

- ✧ A user is able to review the times allocated to a particular vehicle as well as review the exact times used by the estimator when preparing the estimate.

### Review e-MTA times allocated by Vehicle

- ✧ The Search by Vehicle option allows the user to select the correct Make, Model and Variant and then consult the entire list of times allocated to that vehicle.

1. Go to [www.e-mta.com.au](http://www.e-mta.com.au).

2. Click

3. In the Vehicle List page, select the appropriate entries from the various drop down lists.

4. Click

**e-MTA**

Times

**Vehicle List**

Make: HOLDEN | Model: COMMODORE

---

Style: Sedan | Variant: | Year: 2008 | Template: | Search

Doors: 4 | Transmission: | Month: Automatic

Month dropdown options: Automatic, Automatic 3 sp, Automatic 4 sp, Automatic 5 sp, Manual 4 sp, Manual 5 sp, Manual 6 sp

- 5. A list of models that match the search criteria will be displayed.  
Click the [Open](#) link associated with the required vehicle.

## Review e-MTA times by Job ID

- ❖ The Search by e-MTA Job ID option allows the user to evaluate the exact times used by the estimator when preparing the estimate.

### Note:

Estimates prepared using a compliant quoting system each have a unique Job ID.

1. Locate the Job ID in the estimate (example: **MTA Job ID 8H52-76GV**).

2. Go to [www.e-mta.com.au](http://www.e-mta.com.au).

3. Click .

2. In the Times page, enter the Job ID in the textboxes.

3. Click .

4. The estimate will be displayed.
