Who we are

Welcome to the MTA Group of Companies, comprising the Motor Traders' Association of New South Wales (MTA NSW), Motor Trades Association of the ACT (MTA ACT) and its affiliated entities My Trade Start (MTS) and Motor Trades Care (MTC). Established in 1910, the MTA Group stands as a foundation in the Australian automotive industry, embodying excellence, innovation, and leadership.

As a leading private automotive training organisation in Australia, our collective of companies is dedicated to empowering businesses and professionals across the automotive sector. MTA Group, through its subsidiaries, plays a pivotal role in shaping the industry landscape, fostering growth, and ensuring longevity.

My Trade Start is a cutting-edge training company that not only equips apprentices with essential skills but also stays at the forefront of technological advancement in the automotive sector. Our state facility in Western Sydney and advanced tools and equipment enable us to provide comprehensive training programs that upskill technicians to meet the demands of today's rapidly evolving automotive industry.

Both the Motor Traders' Association of New South Wales (MTA NSW) (RTO 90402) and Career Options Training Australia trading as My Trade Start (MTS) (RTO 40733) are recognised as Registered Training Organisations (RTO), reflecting our commitment to delivering high-quality training and education programs that meet National and State standards of excellence.

Motor Trades Care - powered by Steadfast Workplace Risk, specialises in work health solutions, bringing expertise to businesses by educating them on how to mitigate risks in the workplace and facilitating effective return-to-work programs. With a commitment to promoting safety and well-being, MTC empowers businesses to thrive in a secure and healthy environment.

The MTA Code of Ethics

The MTA Code of Ethics is a framework of principles under which its Members trade with the public that protects consumers and safeguards the reputation of legitimate motor traders. It concerns the relationship between customers and suppliers of goods and services. The Code addresses acceptable standards, not just legal obligations.

Member benefits

As an MTA Member, you'll be part of a network of businesses trusted by consumers to offer the highest standards in the industry. The MTA brand is well respected in the community, both by consumers and the government, and businesses displaying the MTA sign are instantly recognisable, trusted to deliver quality services and to abide by the MTA Code of Ethics.

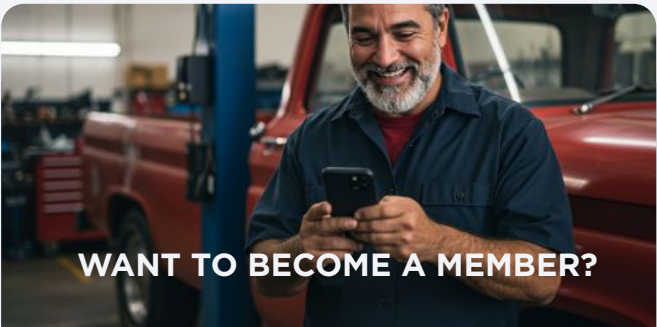

MTA Members have access to a range of tools to support and grow their business. The Association is always working to create new services and form links with businesses that can benefit our Members.

Members can utilise several benefits and resources designed to facilitate the running of their automotive businesses. From employment relations advice and associated services through to training, industry lobbying and automotive signage, the Association is in a strong position to support Members.

BUSINESS SUPPORT

As an MTA Member, you will have a dedicated Area Manager who you can contact should you need advice on the day-to-day running of your business. Industry experts are also available to provide advice regarding your specific business issues.

Whether it is about understanding the licensing requirements or helping with a customer dispute, Members can obtain advice. Industry experts also hold meetings and information sessions to update Members on the latest industry issues.

EMPLOYMENT RELATIONS ADVICE AND SERVICES*

Workplace issues can cost time, money and a lot of headaches if they are handled badly. Employment laws and Work Health & Safety obligations are becoming more complex. MTA Employment Relations team gives members practical, expert advice to help manage employees, stay compliant and deal with issues before they become bigger problems. Members can access support with:

- Wages and Award advice
- Recruitment, onboarding and contracts
- Performance, conduct and disciplinary issues
- Leave management and termination
- Final pay and redundancy calculations
- Templates, training, webinars and workplace updates
- Dispute support and Fair Work Commission representation

MTA Assured

MTA Assured gives eligible members access to a more comprehensive level of employment relations support, including hands-on guidance and assistance with more complex workplace matters. Our experienced Employment Relations team can attend your premises and conduct the interviews and performance meetings to assist you with complex and difficult employment situations. From simple day-to-day questions to serious employee issues, our team can assist.

ADVOCACY AND GOVERNMENT RELATIONS

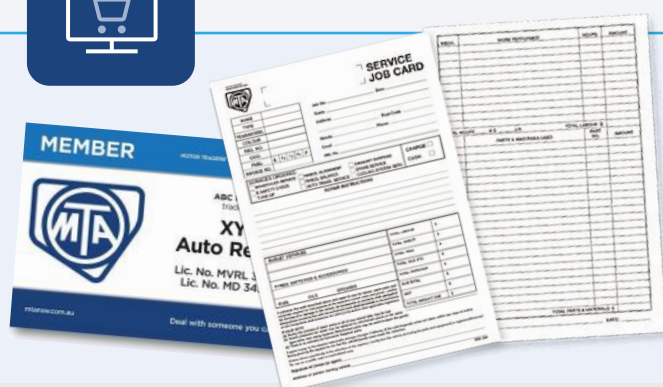

MTA is the voice of the automotive industry - Through our direct advocacy at both State and Federal government levels, we provide frank and fearless advice to key decision makers on the issues facing the industry.

MTA engages directly with State and Federal Ministers as well as participating on statutory boards, roundtables and working groups. Through our advocacy efforts, MTA has achieved positive results for the industry through legislative changes, codes and regulatory amendments, all of which benefit the entire industry.

Our expertise in Government Relations provides members with access to government initiatives, allowing you to be up to date with regulatory and legislative changes that may affect your business.

MEMBER PUBLICATIONS

Our Member exclusive 'MTA Weekly' is a weekly e-newsletter which informs Members of current issues that MTA is undertaking, plus news occurring in the automotive industry. In addition, we publish a triennial hard-copy magazine, 'MTA Magazine' and a digital version that's designed to inform all Members of the latest news, interviews, services, and information within the automotive industry.

Training Apprentices and Trainees

If you are looking to take on or upskill an apprentice, MTA Training gives you more flexibility to train.

Apprenticeship training, the MTA Way

MTA NSW delivers training within your specific requirements, rather than offering a one-size-fits-all solution. You can start apprenticeships anytime, with no term-time restrictions or enrolment dates to worry about.

Training that fits your workshop

MTA NSW training courses are available on-site or in a classroom, depending on what works best for your business. On-site training is delivered by expert trainers who come to you through MTA Training (RTO #90402). Classroom-based training is delivered on-site at My Trade Start (RTO #40733), our purpose-built automotive training facility in Auburn.

More flexibility. Less disruption.

With our on-site option, you will have visibility over your apprentice's training, while helping maximise productivity through a reduction in time away from your workshop. Our classroom-based offering gives you the choice of hands-on training conducted away from your workshop in our fully equipped automotive training facility.
